

THE GRANT PLANT

Celebrating 20 years in business.

The Grant Plant is a small, woman-owned business that has guided organizations, agencies, and schools, through the grant funding process since 2003. **WE KNOW GRANTS** and know the process can be complicated and time-consuming. We set our clients up for success by streamlining the process, sharing our expertise, and providing support every step of the way. **WHEN YOU WORK WITH US**, you can expect:

- A skilled team of 18 professionals
- Comprehensive services
- Ethical approach
- Flexible support
- Dedicated project management

A RECORD OF RESULTS

\$265M in funds for clients

Total funds secured since 2003.

Client ROI of **\$62 : \$1**

Funds secured per client dollar spent on funding requests in 2022.

52% of awards over \$100,000

Of awards secured in 2022 were for \$100,000 or more.

FIND FUNDERS

Skip the uncertainty and trial-and-error of finding funders with a vetted list of grants matched to your goals.

WRITE GRANTS

Simplify the most complicated part of the process and turn your vision into a reality with a winning grant proposal.

MANAGE RISK

Understand the complexities of large grants and ensure you have the organizational systems in place to successfully deliver.

ENSURE COMPLIANCE

Allow our team to write detailed reports, & advise you on federal regulations, grant requirements, and compliance best practices.

EVALUATE IMPACT

Go above and beyond result reporting: advance equity, serve your organization's identity, and improve your outcomes.

“

The Grant Plant has become an invaluable member of our team. They know the work, the goals and the impact of our programs as much as our program team. They are the best advocates, and their team of expert grant-writers and storytellers are truly amazing. I sleep better knowing we have TGP at our side to help navigate all things grants.” - CLIENT
